

DON'T WASTE YOUR TIME ON WASTE!

A new initiative from Dorking Town Partnership

Through special rates negotiated by DTP exclusively for BID levy payers, you could **SAVE MONEY** on your current waste management charges*.

Let Environmental Support Services take care of it for you and enjoy the benefits of a high-quality, cost-effective recycling and waste management service you can rely on. ESS is based in Dorking, so you can also enjoy the advantages of working with a local contractor too.

HIGH-QUALITY

- Professional, highly experienced and ethical
- Excellent customer service and reporting
- Fully-tracked low emission vehicles
- Quality containers and sacks
- 'Zero landfill' policy

COST-EFFECTIVE

- Simple, transparent, all-inclusive pricing
- No additional fees for delivery, rental or admin
- No long-term contracts
- Extremely competitive prices - fixed to March 2020
- Accurate data and billing

RELIABLE

- Services designed to suit the specific needs of individual clients
- Flexible collections - before 7.30am or during business hours
- Monthly, weekly or daily (Monday - Saturday) schedules
- Real-time live data via latest in-vehicle software
- Issues reported and rectified quickly

SAVING TIME AND MONEY

General waste, dry mixed recycling, food waste, mixed glass - from 7.5litre sacks to containers ranging from 240 - 1100 litres - ESS offers recycling and waste management solutions to suit businesses of many different types and sizes, perfect for BID levy payers.

To find out more about waste-management cost savings, contact Ken Kempster at ESS today and quote 'DTP'. Not only could you save money, just think how much effort you could save too. Which means more time and energy to spend on your business and your customers.

Ask Ken about the other services ESS can offer too including their confidential waste service, commercial cleaning, maintenance and washroom services.

*If you are not already using ESS. Even if you are an existing ESS customer, you can take advantage of the specially negotiated rates now available to BID levy payers through Dorking Town Partnership. Just contact Ken and quote DTP.

Dorking Town Partnership
 - proud to be working in
 partnership with ESS.

@HelloDorking

"ESS are a pleasure to deal with and most importantly have saved us 50% compared to our previous supplier, I would highly recommend getting a quote today!"

ANDREW, Station View Garage

"Thanks to Dorking Town Partnership for facilitating using ESS in Dorking for our refuse collection, this is going to save us a considerable amount in the future. It is great to support local businesses and ESS were efficient and a pleasure to deal with."

JO, South Street Clinic
